CHARTER REVISION QUESTION

“Shall the municipality approve the charter revision recommended by the charter commission?”

YES ☐
NO ☐

SAMPLE BALLOT

SUMMARY

Following formal review, the Charter Commission is recommending revisions to the current charter. Key revisions recommended to become effective immediately unless otherwise noted are:

- Partisan Elections, including party primaries, for all offices except School Committee, in place of non-partisan elections.
- Primary Election for School Committee candidates, regardless of how many are running.
- Eliminate the At-Large Aldermen and At-Large School Committee positions, effective November 2005.
- Change elected Welfare Commissioner to department head appointed by Mayor and approved by majority of Aldermen, effective November 2005.
- Allow sending towns to have representation on committees of the School Committee.
- Change inauguration date of elected officials from early January to two weeks following the November election.
- Change finalization of City budget (includes school budget) from early June to the first Tuesday in April.
- Change budget fallback provisions from the Mayor’s budget submission to the prior year budget.
- Eliminate commissions for Police, Fire, Highway, and Parks, Recreation and Cemetery, and remove Board of Mayor and Aldermen authority to establish departmental commissions.
- Mayor and one Alderman to now serve on Airport Authority and Water Commission.
- Change City Clerk to be elected by the Board of Mayor and Aldermen every two years, rather than appointed by Board until removed.
- Allow removal of department head or officer by Mayor with simple majority of Board of Mayor and Aldermen, rather than a finding by a super majority of the Board of Mayor and Aldermen.
- The Mayor rather than the Board of Aldermen to now nominate City officers and includes the City Solicitor as a City officer.
- Eliminate the Board of Mayor and Aldermen’s authority to set compensation for the Mayor, School Committee, and Aldermen; and set compensations by charter: Mayor, \$68,000; School Committee each \$2,000, and Aldermen each \$5,000 annually, with no benefits for School Committee and Aldermen.
- Requires period of public testimony at committee meetings of the School Committee.
- Tightens provisions for charter enforcement and ethics code adding city officials, parents and siblings to definitions; adds standards of conduct by charter rather than ordinance.
- Requires an internal auditor nominated by the Mayor and approved by a majority of the Board of Mayor and Aldermen, rather than provisional ordinance under Finance Department.
